

DOKSUN POWER PRIVATE LIMITED

Respected Administrators & Directors,

We are honoured to introduce the exceptional services provided by Doksun Power Private Limited, where innovation and precision meet to ensure your safety. Our core business areas include:

- Manufacturing of state-of-the-art earthing electrodes and lightning arresters.
- Comprehensive turnkey solutions encompassing design, supply, and installation.
- Expertise in high-ionizing backfilling chemicals and compounds, tailored for diverse soil conditions across India.

Compliance with the latest standards and codes of practice in earthing, grounding, and lightning protection services, including:

- IEEE Std 80: Guide for Safety in AC Substation Grounding
- IEEE Std 142 (Green Book): Recommended Practice for Grounding of Industrial and Commercial Power Systems
- IEC 60364-5-54: Electrical Installations of Buildings- Earthing Arrangements, Protective Conductors, and Protective Bonding Conductors
- IEC 62305: Protection Against Lightning
- BS 7430: Code of Practice for Protective Earthing of Electrical Installations
- BS EN 50522: Earthing of Power Installations Exceeding 1 kV a.c.

- Earthing/Grounding Protection Overview:
The most essential safety mechanism in any infrastructure is the system that safeguards against fault currents. An earthing/grounding system must function with absolute reliability at all times. Any deficiencies in this system, if neglected, can result in equipment damage, operational failures, or even fatalities.

- Lightning Protection Overview:
Lightning, a phenomenon that captivates and terrifies, remains the top weather-related killer after floods. Despite its rarity, effective lightning protection is indispensable.

The overview provided highlights the critical importance of our innovative products and solutions. We have gained the trust of esteemed companies by consistently delivering exceptional quality and service. We invite you to partner with us for your current and future projects. Our unparalleled expertise and competitive pricing distinguish us as leaders in the industry.

With utmost professionalism and gratitude,

Thanks and regards,

Vimal Patel (Sales & Projects)
